

Photography/Filming Authorisation (Newcastle Castle educational visit)

Please return this form to your school

Your child/children’s school has/have taken the opportunity to visit Newcastle Castle for an educational visit. During this visit, photography and/or filming may take place. We would like to seek your agreement in advance for your child/children to feature in any photography.

I agree to have my child/children’s image taken through photographs and/or film in association with Newcastle Castle [] (*please tick*).

I understand that the images/film will only be used to promote Newcastle Castle, in promotional material (such as the Newcastle Castle website, printed materials such as leaflets and other social media sites), in the media, and in partner organisation’s publicity. You child/children’s name will not appear unless we have expressly requested otherwise.

I do not wish to give permission for the above [] (*please tick*).

As it is difficult to ensure an individual is not included in group activities, please ask the school to inform the Learning Officer of your wishes not to be photographed at the start of the event and we’ll do our best not to include your child/children in any imagery.
